THOUGHTS

We are what our thoughts have made us, so take care about what you think. Words are secondary. Thoughts live, they travel far.

COMMITMENT

Even a fool can accomplish a task if it were after his or her heart. But the intelligent ones are those who can convert every work into one that suits their heart.

GOAL

Take up one idea. Make that one idea your life. Think of it, dream of it. Live that idea. Let the brain, muscles, nerves and every part of your body be full of that idea and just leave every other idea alone. This the way to "SUCCESS".

FEAR & FEARLESSNESS

Be not afraid of anything. You will do marvellous work. The moment you fear, you are nobody. It is fear that is the great cause of misery in the world. It is fear that is the greatest of all superstitions. It is fear that is the cause of our woes, and it is fearlessness that brings heaven even in a moment.

The earth is enjoyed by 'Heroes'. This is the unfailing Truth. Be a Hero. Always say I have no Fear.

Therefore, "Aries, awake, and stop not till the goal is reached".

Swami Vivekananda
